

Event: Inauguration of Robot Nurse at SMIMER hospital, Surat

Date: 7th august 2020

Time: 3:00 pm

About Robot Nurse:

As the number of COVID-19 cases are increasing and it is contagious. It may affect doctors or medical staff. So for caring for the patient in place of doctors/nurses, Robots can be used for taking care of COVID-19 Patients. The Robot Nurse will provide all facilities to COVID-19 Patients such as providing food, medicines, screening of temperature etc.
